St. Vincent's Cathedral is located in Bedford, Texas, and is a warm, friendly, and active Christian community that is centered in traditional worship and discipleship. Our vibrant Community Youth Ministries are a critical part of our mission. If you are looking for a church home, we hope that you find our community welcoming and that you will consider joining us as we encounter Jesus through our worship and biblical preaching. The Very Rev. Ryan S. Reed, SSC, is Dean of the Cathedral.

St. Vincent's Youth Ministry is a thriving and growing part of the Cathedral. The funds raised through the golf tournament are used to help send youth on mission trips and to have the youth attend special conferences and events in the area. The youth hosted three parties with food and games for children from Mission Central, including providing gift bags at Halloween, Christmas and Easter. The Youth "HQ" is open to youth every Wednesday. night during the school year and they are fed dinner paid for out of the fund. This year the youth will do more outreach in our community and will use the money raised to help fund that outreach. Thank You for your support!
